

Episurf Medical appoints Dr Michael Manley special advisor for US strategy

Episurf Medical (NASDAQ: EPIS B) today announced that it has appointed Dr Michael Manley as special advisor in support of its US strategy.

Professor Leif Ryd, Senior Medical Advisor to Episurf Medical says: "Michael Manley has held leading positions in the orthopaedic industry within research and development for more than 30 years. He knows every detail in implant development."

Dr Manley has been with Stryker Orthopaedics since 1987, was Chief Scientific Adviser until December 2016 and remains a consultant to the company in certain areas. After three decades, Dr Manley has extensive experience in the fields of clinical studies, regulatory processes and procedures along with research and developmental science.

Pål Ryfors, CEO of Episurf Medical says: "We are forming a team to develop our US strategy. We are enormously happy for the opportunity to work with Mike as an advisor to our team. Mike's background and experiences are unparalleled. He will advise the Episurf team during this important strategic step in development of our company."
