

Prodware Netherlands acquires Ctac's Microsoft Dynamics activities

Prodware Netherlands, part of the Prodware Group, has just recently acquired Ctac's Microsoft Dynamics activities.

Prodware Netherlands' September acquisition marks Prodware's willingness to strengthen its digital footprint. The move brings Prodware additional offerings while reinforcing its market-ready portfolio of innovative solutions intended for the trading, non-profit and manufacturing verticals.

Prodware's unique value proposition, powered by Microsoft Dynamics technology and expertise, is now strengthened with this recent acquisition. It will contribute in delivering performance and new business growth paths for our customers.

Prodware's strong commitment to innovation and customer satisfaction ensures continuity for our new customers. Ctac's valued Microsoft-ready professionals will enhance Prodware's Microsoft Dynamics knowledge base while serving and satisfying new and existing customers in the Netherlands.

"Microsoft welcomes consolidation in the Microsoft Dynamics 365 channel, as both the size of customers that choose the Dynamics platform and the scope of projects increase, integral expertise on the solutions is needed. We welcome partners that offer full platform innovative solutions with strong added-value helping customers embrace and tackle the challenges of digital transformation. Prodware's acquisition of a division of Ctac will further empower Prodware's existing and future customers by delivering a value proposition which spans from business consulting to managed services." Jan Brouwer, Business Group Lead Dynamics, Microsoft The Netherlands

"We are a knowledge company but most of all we are customer minded and we warmly welcome our new professionals and customers. With Ctac's Dynamics division now on board we will continue to create and transform Microsoft solutions for our customers with as much passion as expertise leveraging these new synergies. We are looking forward with full confidence to possible further collaboration with Ctac in the market." Rob Sanders, Prodware Country Manager
