

DRONE VOLT

Technology Fast50 2016 winner in the Aerospace & Defence category

Deloitte.

Technology Fast50

Villepinte, 09 November 2016

DRONE VOLT, the leading French drone professional, today announces its first prize in the 16th Technology Fast 50 in the Aerospace & Defence category.

With a fourfold increase in revenue over four years (from 2012 - a non-audited year - to 2015), Drone Volt was selected by Deloitte to take part in the Technology Fast 50. The Fast 50 programme has become an industry benchmark for investors, public authorities and the business press.

The award ceremony, which was held on Monday 07 November in Paris for the Ile-de-France winners, saw DRONE VOLT carry off first prize in the Aerospace and Defence category.

Dimitri BATSIS, Chairman of Drone Volt, stated on this occasion: "We are delighted and very proud to receive this award which acknowledges the efforts made by our teams in building, in only five years, an international group in the field of civil drones for professional use"

About the Technology Fast 50 programme

The Technology Fast 50 programme was launched in 1995 in San Jose in California in the heart of Silicon Valley, and was then extended across the entire United States, the United Kingdom, Canada, the Netherlands, Israel and France. It is now to be found in over 40 countries and regions around the world. It was created to highlight the remarkable contribution made by technological companies to economic growth.

Deloitte has developed three continental awards:

- Europe, the Middle East and Africa: Fast 500 EMEA
- North America: Fast 500 North America
- Asia Pacific: Fast 500 Asia Pacific.
