Report on the progress of the share buy-back programme

Brussels, Belgium – 10 January 2019 – Keyware (EURONEXT Brussels: KEYW) reports on the progress of its share buy-back programme capped to EUR 1 million.

The Extraordinary General Shareholders Assembly of Keyware Technologies held on 27 May 2016 has authorized the Board of Directors to launch a share buy-back programme.

On 30 August 2018, the Board of Directors has decided to launch a new share buy-back programme capped to EUR 1 million and starting as of 1 October 2018.

Transactions of the previous week

Referring to article 207 of the Royal decree of 30 January 2001 in execution of the Companies code (art. 620 § 1), as modified by Royal Decree of 26 April 2009, Keyware Technologies communicates that it has purchased 997 treasury shares at Euronext Brussels in the period between 31 December 2018 and 4 January 2019.

Purchase date	Number of shares	Average purchase price (EUR)	Lowest purchase price (EUR)	Highest purchase price (EUR)	Total (EUR)
31/12/2018	-	-	-	-	-
01/01/2019	-	-	-	-	-

02/01/2019	-	-	-	-	-
03/01/2019	997	0.990	0.972	0.990	986.99
04/01/2019	-	-	-	-	-
Total	997	0.990	0.972	0.990	986.99

These are the first purchased treasury shares under the new share buy-back programme.

Disposal of treasury shares

With respect to the acquisition of the EasyOrder shares, the share purchase agreement foresaw 3 partial payments in shares of Keyware Technologies in favour of the previous shareholders of EasyOrder BVBA.

The two following disposals had already taken place:

- 30 June 2017 : 47,400 shares for an amount of EUR 75,000 (EUR 1.582 per share)
- 29 December 2017 : 16,887 shares for an amount of EUR 25,000 (EUR 1.48 per share)

The final partial payment in shares for an amount of EUR 25,000 took place on 10 January 2019. This triggered a transfer of **26,323 shares** (EUR 0.95 per share).

In each of these cases the selling price has been determined on the basis of the average closing quotes during the 30 calendar days preceding the date of the disposal.

Number of shares held

As a result of the buy-back transactions up to date and the three abovementioned disposals for on aggregate 90,610 shares, the Company holds a total of **547,919** treasury shares on 10 January 2019 or 2.4305 % of the actual number of shares issued (i.e. 22,543,793).

This number of shares can be allocated as follows:

- Previous share buy-back programme : 546,922 shares
- Ongoing share buy-back programme : 997 shares

The ongoing share buy-back programme is further executed within the indicated maximum amount of EUR 1,000,000. Under this programme, 997 treasury shares in total have been purchased for an amount of EUR 986.99. Hence, the remaining balance amounts to EUR 999,013.01 (which corresponds to approximately 984,249 shares).
